The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

During the year under consideration, the Company completed the acquisition of Ebix Inc. and all its global subsidiaries for a Cash Consideration of USD 138.527 Million (net of the contribution made by minority shareholders as debt and equity), against which USD 27.327 million yet to be remitted to complete the accounting of Sale Consideration and thus shown as "Current Financial Liabilities" in the financial statements.

The company issued Foreign Currency Convertible Bonds (FCCBs) for an aggregate principal amount of USD 120 million pursuant to Offering Circular dated August 23, 2024, in 2 tranches of USD 60 Million each, out of which USD 40 million is yet to be received. Necessary legal action has been initiated by the Company for recovery of these funds which is currently pending before High Court of Justice, Kings' Bench Division, England and Wales, hence this USD 40 million is shown as 'Receivable and considered good' in the financial statements.

ii. However, on petition of certain eligible shareholders, Honorable National Company Law Tribunal (NCLT) by means of passing an interim order dated February 13, 2025 has directed the Company to maintain status quo with respect to all transactions emanating from the said Offering Circular until the final disposal of the petition. Constrained by the NCLT Order, the Company has deferred making any provision for the liabilities of whatsoever nature arising out of the Offering Circular. The company has acknowledged the contingent liabilities of Rs. 55.75 Crores in the audited financial statements in respect of unrecognized interest on FCCBs, subject to the outcome of the ongoing litigation. Considering the above facts, the company has also deferred the accounting treatment for compound financial instruments as prescribed under Ind AS 32 with respect to these bonds in the financials.

ERAAYA LIFESPACES LIMITED (FORMERLY KNOWN AS JUSTRIDE ENTERPRISES LIMITED) CIN: L74899DL1967PLC004704 Registered Office: 3rd Floor, Vikas House, 3, Arihant Nagar, Rohtak Road, Punjabi Bagh West, New Delhi-110026 E-mail Id: cs@eraayalife.com, Website: <u>www.eraayalife.com</u> Notes for the Quarter and Year Ended March 31st, 2025

- The financial results of the company for the quarter & Year ended March 31,2025 have been reviewed by the Audit Committee of the Board and approved by the Board of Directors at its meetings held on May 30, 2025.
- 2. These financial results have been prepared in accordance with the recognition and measurement principles of Indian Accounting Standards ("Ind AS") prescribed under section 133 of the companies Act, 2013 read with the relevant rules issued there under and the other accounting principles generally accepted in India.
- **3.** The figures for the previous period have been regrouped / rearranged / reclassified wherever necessary to make them comparable.
- 4. The Company has no reportable segments in accordance with Ind AS 108 "Operating Segments". The Chief Operating Decision Maker (CODM) reviews the financial information at the Company level only, and does not identify separate segments for decision-making purposes. Furthermore, none of the business activities meet the quantitative thresholds prescribed under Ind AS 108 to be classified as reportable segments.

5. Note on acquisition of Ebix Inc. (US) and FCCB Issuance and related legal proceedings:

During the year under consideration, the Company completed the acquisition of Ebix Inc. and all its global subsidiaries for a Cash Consideration of USD 138.527 Million (net of the contribution made by minority shareholders as debt and equity), against which USD 27.327 million yet to be remitted to complete the accounting of Sale Consideration and thus shown as "Current Financial Liabilities" in the financial statements.

The company issued Foreign Currency Convertible Bonds (FCCBs) for an aggregate principal amount of USD 120 million pursuant to Offering Circular dated August 23, 2024, in 2 tranches of USD 60 Million each, out of which USD 40 million is yet to be received. Necessary legal action has been initiated by the Company for recovery of these funds which is currently pending before High Court of Justice, Kings' Bench Division, England and Wales, hence this USD 40 million is shown as 'Receivable and considered good' in the financial statements.

However, on petition of certain eligible shareholders, Honorable National Company Law Tribunal (NCLT) by means of passing an interim order dated February 13, 2025 has directed the Company to maintain status quo with respect to all transactions emanating from the said Offering Circular until the final disposal of the petition. Constrained by the NCLT Order, the Company has deferred making any provision for the liabilities of whatsoever nature arising out of the Offering Circular. The company has acknowledged the contingent liabilities of Rs. 55.75 Crores in the audited financial statements in respect of unrecognized interest on FCCBs, subject to the outcome of the ongoing litigation. Considering the above facts, the company has also deferred the accounting treatment for compound financial instruments as prescribed under Ind AS 32 with respect to these bonds in the financials.

6. <u>Reclassification of Prior Period Figures:</u>

(Pursuant to Ind AS 1 – Presentation of Financial Statements and Ind AS 109 – Financial Instruments)

During the current year, the Company has changed the presentation of transactions relating to the sale and purchase of shares and securities. Previously, such transactions were presented on a gross basis, i.e., separately showing the sale proceeds as revenue and the purchase cost as expenses. In line with the requirements of Ind AS 109 (Financial Instruments) and to provide more relevant information, the Company has now presented these transactions on a net basis, recognizing only the net gain or loss from such transactions under 'Revenue From Operations'.

In accordance with Ind AS 1 – Presentation of Financial Statements (Paragraphs 41–44), the comparative figures for the previous period have been reclassified to conform with the current year's presentation. This reclassification is a presentation change and does not have any impact on the net profit or loss or equity for the previous year.

Accordingly, revenue and expenses relating to such transactions have been netted off in the segment results for the FY 2023-24 and 2024-25 to make it comparable.

7. Investor Complaints:
